Ryan,

The concern lies with the MTD total. We have seen an increase in various Morphine ER SKUs. If the market is experiencing disruptions, this is the information we require. I will recommend release.

Gail – recommending release of ANDA order 70272848 for MORPHINE SULFATE ER 15MG TABS on U2 hold.

Thanks,

Jen

Jen,

I spoke with Pete today about the current U2 hold on Anda for their 24 bottle order on Morphine ER 15mg (SKU 831501). Market disruptions have occurred across the Morphine ER family in the market and we are not concerned with the Anda order below of 24 bottles. Please release as customers are having to go many places to fulfill their needs.

Please let me know if there is any additional information you would like me to provide. Thanks as always for your time.

Ryan
